

REPORT/RECOMMENDATION TO THE BOARD OF SUPERVISORS  
OF SAN BERNARDINO COUNTY, CALIFORNIA  
AND RECORD OF ACTION

February 25, 2003

FROM: KEN A. MILLER, Director  
Department of Public Works – Regional Parks

SUBJECT: PAYMENTS TO KOLA 99.9 FOR ADVERTISING SERVICES

RECOMMENDATION: Authorize Purchasing Department to process payments totaling \$5,000 to KOLA 99.9 for advertising services required by Regional Parks during the remainder of FY 2002/03.

BACKGROUND INFORMATION: Regional Parks utilizes the services of KOLA 99.9 to advertise activities and special events at the parks. To date, the Regional Parks has paid approximately \$25,000 to KOLA 99.9 for performance of such services. During FY 2002/03 Regional Parks began a new series of Fishing Derbies whereby each park shall host two fishing derbies in an effort to increase park visibility and public awareness. These derbies began in November 2002 and will end in April of this year. Staff anticipates that the Department will need an additional \$5,000 of spending authority for this vendor in FY 2002/03 for the subject services.

County Policy requires departments to seek Board approval when contracting for services with a vendor when the aggregate amount exceeds \$25,000 per fiscal year. As mentioned above, the Department has already paid \$25,000 in FY 2002/03 to KOLA 99.9. Consequently, the Department must request approval from the Board for all future payments to this vendor during the current fiscal year. Accordingly, this item is requesting authorization for payments totaling \$5,000 to KOLA 99.9 for the balance of this fiscal year.

REVIEW BY OTHERS: This item has been reviewed by the County Administrative Office (Tom Forster, Administrative Analyst) on January 24, 2003. This item has also been reviewed by the Purchasing Department (Aurelio De La Torre, Director) on February 4, 2003.

FINANCIAL IMPACT: This item approves an additional \$5,000 of spending authority for the Department with KOLA 99.9. This will bring the total to \$30,000 for FY 2002/03. Appropriations for the additional \$5,000 are available in Regional Parks' FY 2002/03 budget (AAA-CCP-CCP).

**Cost Reduction Review:** The County Administrative Office has reviewed this agenda item and concurs with the department's proposal; thus Board approval of this item is recommended. This action is based on that additional advertising charges will increase park attendance and generate sufficient revenue (from park admission and fishing fees) to more than offset this cost.
